NET WT US 2 OZ / 57 g

# daily superfoliant™

**application**

After cleansing, dispense about a half-teaspoon of **Daily Superfoliant™** into very wet hands and create a creamy paste by rubbing hands together. Apply to face in circular motions, avoiding the eye area. Massage gently for up to 1 minute, then rinse thoroughly with warm water. Follow with prescribed Dermalogica Toner and Moisturizer. May be used daily. For more sensitive skin, advise your client to apply on alternate days until their skin acclimates.

**optional:** For superior exfoliation, the use of electric brushes may be introduced with the paste.

**contraindications for use**

Not recommended for users of any topical or orally-prescribed acne, Vitamin A-derived and/or skin exfoliation medications. Do not use on skin that is sunburned, irritated, sensitive or recently professionally exfoliated, resurfaced or waxed.

**key ingredients**

**Activated Binchotan Charcoal:** adheres to pollutants, allowing them to be easily removed from skin.

**Niacinamide:** helps regulate sebum oil to prevent adhesion of pollution particles and related signs of skin aging.

**Papain, Lipase and Subtilisin:** powerful, water-activated enzymes that dissolve or digest proteins in skin, allowing dulling skin cells to be removed.

**Lactic Acid and Malic Acid:** skin-smoothing alpha hydroxy acids that break apart the snap-like bonds (corneodesmosomes) that hold dead skin cells (corneocytes) together.

**Kappaphycus Alvarezii (Red Algae) Extract and Caesalpinia Spinosa (Tara) Fruit Extract:** help preserve the skin's natural barrier function by inhibiting penetration and adherence of environmental pollutants.

**Oryza Sativa (Rice Bran) Extract:** provides dual-action physical and chemical exfoliation to thoroughly loosen and digest dead skin cells.

**benefits / top retailing points**

Adsorbs (binds to remove) pollutants from deep within pores.

Helps prevent adherence of pollutants to the skin.

Provides antioxidant protection.

Reinforces the skin's protective barrier.
