this product works*

Age Defense Sun Cream

Provides very high protection for skin exposed to UV rays and helps to prevent premature aging of skin.

RESULT

The skin is protected from visible signs of photoaging: spots, fine lines and dehydration.

ACTIVE INGREDIENTS

Powerful UVA/UVB filters certified at SPF 50+ offer very high protection. The skin is optimally protected by dispersed micro-mineral filters, for superior comfort and a transparent finish.

Zinc Oxide and Titanium Dioxide

Offer high performance sun protection against UVB and UVA rays, and protection against free radicals.

Hyaluronic Acid

Hyaluronic acid has the power to retain up to four hundred times its weight in water, providing moisturization and making the skin feel more supple.

Aloe Vera

Soothes the skin, reduces inflammation, and stimulates the production of collagen.

Stem Cell Stimulator

This complex accelerates epidermal restoration, smoothing out the appearance of wrinkles.
