

Advanced Cleanser

EXPERT
CLEANSING FOAM

87% of patients agree that it removes excess sebum and skin impurities effectively*

Expert Cleansing Foam

Effectively removes make-up and excess sebum to give skin a clean, fresh and hydrated feel. Recommended for all skin types, including sensitive and dehydrated skin.

RESULT

Superior cleansing and effective make-up removal.
The skin is clean and hydrated; skin balance is restored.

ACTIVE INGREDIENTS

High performance cleansing and hydrating agents, fused with a powerful purifying active, remove excess sebum and skin impurities, and leave skin feeling soft and supple.

Xylitol

Anti-dehydration agent which promotes and controls water flow, and improves the appearance of skin micro relief.

Zinc

This anti-seborrheic active (associated with the penetration vector L-PCA) improves the appearance of oily skin and has an anti-microbial action.

Urea

Optimal moisturizing agent which removes scales from the skin's surface and restores suppleness.

Glycerin

Hygroscopic substance which provides a hydrating and protective film.
