

Foamer 5/15 EXFOLIATING CLEANSING FOAMERS

Expert Cleaners

Removes impurities and dead cells, and purifies the skin. Foamers 5/15 are recommended for dull complexion, irregular texture and skin imperfections. Foamer 5 is ideal for sensitive skin.

RESULT

Prepares skin for cosmetic treatments, and makes the skin smooth and silky. Restores radiance and tightens pores.

ACTIVE INGREDIENTS

Expert, double-action formula which removes impurities, permeates the hydrolipidic film, and soothes the skin.

5% / 15% Glycolic Acid

Alpha Hydroxy acid which easily penetrates the skin. Its acidic pH accelerates exfoliation by destroying the links that bind dead cells together.

Enoxolone

Renowned for its soothing and calming properties, enoxolone is an anti-inflammatory agent extracted from licorice root.

PURIFY

95% of patients agree that their skin feels smooth and silky after using Foamer 15*

Mask 15 OIL REDUCING MASK

83% of patients feel their skin has improved after using Mask 15*

Astringent Clay Mask

Removes dead cells and excess sebum, and purifies combination and oily skin. Recommended for oily and acne-prone skin.

RESULT

The skin is purified, a matte appearance is restored, and pores are tightened.

ACTIVE INGREDIENTS

This unique clay mask purifies and removes imperfections from the skin, tightens pores and reduces excess sebum.

15% Glycolic Acid

Alpha Hydroxy acid which easily penetrates the skin. Its acidic pH accelerates exfoliation by destroying the links that bind dead cells together.

Bentonite

Highly absorbent clay that is saturated in fat, which enables it to remove toxins and impurities from tissue.

2% Salicylic Acid

Causes a keratolytic action that reduces intercorneocyte cohesion, and destroys lipids that bind the outer cells of the epidermis.
