

skin condition

Ideal for normal to dry skin.

description

A feather-light treatment oil that rapidly absorbs to reinforce the skin's protective barrier, help replenish depleted lipids, lock in critical moisture, and defend against free radical damage.

top products to prescribe

- Daily Microfoliant®
- Skin Smoothing Cream
- Skin Hydrating Masque

retail

1 US FL OZ / 30 mL

phyto replenish oil

application

After cleansing, press 4 to 6 drops into skin. Follow with recommended Dermalogica Moisturizer. Alternatively, mix with Dermalogica Moisturizer to apply. Hold bottle upside down for 2 to 3 seconds to initiate product flow. Use daily.

key ingredients**Camellia Japonica (Camellia) Oil:**

a unique plant oil with lipid barrier properties that inhibit Trans-Epidermal Water Loss (TEWL). Combats ROS, which contribute to the breakdown of lipid-rich cell membranes within the skin and leave skin vulnerable to damage. Also provides a light, esthetically-pleasing feel, as well as calming, soothing and anti-aging benefits.

Calophyllum Inophyllum (Tamanu) Oil:

a source of specific phytoactives that inhibit the breakdown of lipid-rich cell membranes from free radicals. Helps protect skin barrier lipids from UV radiation and accelerate wound healing. Possesses antioxidant, anti-bacterial and skin-soothing properties.

Cymbidium Grandiflorum (Orchid) Flower Extract:

rich in minerals naturally found in skin; a source of sugar and polysaccharides that help seal in moisture while balancing the skin's Natural Moisturizing Factor (NMF).

Salvia Hispanica (Chia Seed) Oil: rich in antioxidants that help quench free radicals; a source of omega-3-fatty acids – known to help reduce inflammation; possesses exceptional antioxidant, anti-inflammatory and moisturizing properties.

Hydroxy-Methoxyphenyl Decanone:

synthetically-made, but nature-identical to actives found in plants of the Ginger family. A highly-potent Hyaluronic Acid booster, antioxidant and anti-irritant.

Helianthus Annuus (Sunflower Seed) Extract:

possesses essential fatty acids that help decrease moisture loss. A rich source of tocopherols (Vitamin E), which provide excellent antioxidant properties to help preserve the skin's protective barrier and defend against free radical damage.

Oryza Sativa (Rice Bran) Extract:

moisturizes and protects against harmful free radicals. Extremely rich in Vitamins B and E, which help reduce traces of skin roughness.

Rosmarinus Officinalis (Rosemary) Leaf Extract:

possesses antioxidant, purifying and anti-irritant properties; helps protect against free radical damage and the effects of environmental stresses on the skin.

benefits / top retailing points

Works in three phases to strengthen, hydrate and shield for healthy, luminous skin.

Reinforces the skin's natural protective barrier.

Leverages the best of nature's phytoactives to solve dryness and dehydration.

Smoothes visible dehydration lines and locks in critical moisture. Creates an antioxidant shield against free radical damage.

Provides an all-day dewy finish.
